

THANK YOU LETTER TO THE PARENTS

London, May 22nd

Sir, Madame

On the May 21st your child took part in the **RUN AGAINST HUNGER** at the L'École Internationale Franco-Anglaise in aid of Action Against Hunger UK.

Staff from Action Against Hunger UK came to our school and present a lesson on the theme of hunger. Then, the pupils have been strongly mobilised during the RUN AGAINST HUNGER in order to help people affected by this curse.

This event has been a great success thanks to the commitment of the pupils, the teachers and of course the parents. Indeed, this project won't be possible without the sponsors who, through their donations, support the children and encourage them to help others. Many of you also helped us with the organisation of the run and I would like to thank them.

All the school staff and teachers thank you for your support and your help throughout this project.

Mathieu Nioche
Physical education teacher
EIFA, Ecole Internationale Franco-Anglaise
